# Letter from the Editor

Dear Readers,

First, I'd like to wish you a happy, healthy, and prosperous 2016!

Reflecting back on last year, specifically the 4th quarter Ledger cover, I feel it's necessary to apologize to everyone who was in the picture as it turned out too dark and it didn't do justice to the veterans and their supports.

As hard as it is to admit it, I took the picture. I would love to blame it on the sun's position or the awning...but I have no one to blame but myself. Lisa Bisbee-Lentz, our go to graphic designer and Sharon Arthur and Tommy Tilghman, our faithful printers, couldn't bring that picture back to life.

I wish I "would've, could've, should've" had time to schedule a retake, but I didn't. Unfortunately, I had to leave town for a family emergency, but I hope this cover is the start of new beginnings. I definitely learned my lesson, as that was a hard one to swallow.

On a lighter note, we're looking forward to seeing what's in store for the greater New Bern area in the year to come!

Our team is gearing up to deliver positive information to you in multi-media forms. Our goal is to help area businesses and non-profits spread their message to you.

Special thanks to our advertisers...without your support, we wouldn't be able to afford to print the Ledger along with other services. We also really appreciate everyone who's shared information with us...without you, I would've given up on New Bern Now a long time ago. Instead, we're going strong as we'll be celebrating our 7 year anniversary in April!

Please let us know what you'd like to see more of or keep us informed by giving us a call at 252-638-6853, sending us an email at [info@newbernnow.com](mailto:info@newbernnow.com) or contacting us through social media.

Sincerely,

Wendy Card

## Singing Valentines

Desperate to find the perfect way to impress your Sweetheart on Valentines Day? [The Southern Gentlemen Barbershop Chorus](http://www.southerngentlemenbarbershopchorus.com) will go anywhere to provide the perfect solution. Simply order a Singing Valentine by calling 252-288-9132.

An extravagantly handsome costumed Barbershop Quartet will deliver two sentimental love songs, a long stemmed red rose, a Valentine Card signed with your poignant message of endearment and will provide a photograph to record the emotional moment and a complimentary ticket to the Chorus' annual show in April.

This will take place on Friday, February 12th for local folks and on Thursday, February 11th for wives and sweethearts of our military (free of charge). Deliveries can be made to residences, businesses, schools, hospitals, nursing homes, gyms, restaurants, etc. between the hours of 8 a.m. and 6 p.m. in the New Bern and Havelock areas.

The cost of \$40.00 can be paid by credit card or check in advance. Monies have been used in part to support the charitable giving of the Chorus to Merci Clinic, The Coastal Women's Shelter and The Navy-Marine Corps Relief Society.

To order a Singing Valentine, call 252-288-9132.

Whether you want to maintain the great progress you made this past year or are just now finally ready to take action against the belly bulge that has been bothering you, a new year is a great time to go back to the basics and focus on fundamentals.

Here are few simple reminders that can go a long way towards your success when they are adopted as habits and implemented as part of your fat loss lifestyle for 2016.

## 5 Fat Loss Fundamentals:

1. Eat breakfast within 15 minutes of waking, and eat a meal or snack every 2-3 hours. It's important to keep fuel coming in all day long in order to keep blood sugar stable and to balance your hunger, energy and cravings. When you skip meals, you not only increase your likelihood of storing fat, but also put yourself in a situation where you are starving in the hours afterwards. We've all been there- when you're so hungry you could eat a horse. At this point, you no longer make educated decisions about your food choices and find yourself at the mercy of your growling stomach and raging hunger hormones. This mindset causes you to overeat, and again, increases your likelihood of storing, rather than burning fat.

2. Eat a high-quality protein source at every meal. Protein satisfies hunger, balances cravings, stabilizes blood sugar levels, and is very beneficial for fat burning. Protein contains amino acids, which are crucial to our bodies' ability to build and

3. Eat a fruit or vegetable at every meal/snack. A common mistake when women begin dieting is to cut out carbs - even the good ones. Yes, limiting your carbohydrate intake is important if you looking for fat loss results. But some carbohydrates are needed for energy, and not all carbs are created equal. You can eat a lot more veggies and fruits for the same amount of calories than you can starchy carbohydrates. Vegetables and low sugar fruits provide your body with the fiber it needs to feel full, as well as essential vitamins, minerals, and antioxidants. In addition, most fruits and veggies are low on the glycemic index, and they don't spike blood sugar and put your body into storage mode like starchy carbs.

4. Eliminate caloric beverages and drink half your body weight in ounces of water every day. Hydration is key for fat loss. It's basic, but it's true. Dehydration takes away from your exercise performance and leads to fatigue and increased cortisol levels. In addition, if you don't drink enough water, your body will hold on to water. Think of water as your fat flushing tool. I love the phrase, "pee white, pee right." If your urine is clear, that means you're drinking enough water. A good general rule of thumb is to drink  $\frac{1}{2}$  your body weight in ounces daily.

5. Keep a journal and follow these guidelines 80% of the time. Writing things down keeps you accountable and on track. When you keep a journal of what you're eating and how you're exercising, you can look back and make changes. You'll be more conscious of what you're eating, and more importantly, you'll be aware of how often you indulge. Part of achieving success is attaining fat loss that's sustainable. If you can't make it a lifestyle, you're not going to keep the fat loss. When you get off track with your nutrition, don't think of indulging as "cheating" or feel guilty for a food you ate. Enjoy every bite and know you're allowed to indulge occasionally. But remember, this is the exception not the rule. Record your daily eating in a journal and monitor yourself. Keep indulgences down to 20% of your meals each week - 10% if you've got serious fat to lose.

Religious Community Services (RCS) is pleased to announce that Alice MacArthur is the new Shelter Director effective October 2015. Alice brings several years of non-profit experience to RCS as a business leader and as a volunteer. Prior to joining RCS, Alice owned a successful food truck business called "Who's Hungry?", where she developed a mission called Loaves & Fishes. Proceeds from sales and tips were used to "pay it forward" to homeless guests who could not afford anything to eat. Alice will bring her compassion for helping those in need to her new experience at RCS by developing new programs that will help shelter guests achieve independence and responsibility. RCS is a non-profit community organization that provides food, shelter, clothes and other basic necessities to those in need. Each year, over 65,000 meals are served in the Soup Kitchen and the 20-bed shelter is at full capacity over 300 days a year. CarolinaEast Medical Center is pleased to announce it has been recognized by Healthgrades as one of [America's 50 Best™ Hospitals for Cardiac Surgery](#). This is the second consecutive year CarolinaEast Medical Center has been recognized by Healthgrades as one of America's 50 Best™ Hospitals for Cardiac Surgery. Healthgrades, a leading online resource helping consumers make informed decisions in order to find the right doctor, the right hospital, and the right care, evaluated nearly 4,500 hospitals nationwide for 33 of the most common inpatient procedures and conditions and identified the 50 best-performing hospitals across all conditions or procedures within this service line. The achievement is part of findings released recently online and in the Healthgrades 2016 Report to the Nation. The new report demonstrates how clinical performance can differ dramatically between hospitals both nationally and regionally. A 5-star rating indicates that CarolinaEast Medical Center's clinical outcomes are statistically significantly better than expected when conducting cardiac surgery. - Megan McGarvey

Sarah Foster presents "Me and HD" Volume 1. If you know nothing about the disease, this would be an interesting, intimate peek at how it affects individuals and families. [Craven County Clean Sweep](#) sponsors three annual clean up events on the first Saturdays of February, May and October to help keep New Bern streets and waterways free of litter. The upcoming one will be February 6th but if that day is not convenient, you can choose another day that fits your schedule! It's your choice to help out in any of these ways: by walking along the streets in your own neighborhood; by using your boat to clean up a waterway; by meeting with others at Lawson Creek Park on that Saturday at 9AM to be assigned a spot or by simply picking any other "trashy" area that's been bothering you. The amount of time you spend on this is totally up to you – it can be 15 minutes or a few hours. Bags will be provided. The bags will, also, be picked up where you leave them so you do not have to carry them to another spot! For more information, call 633-1477. - Judi Lloyd

[The Tryon Civitans](#) will be hosting a Flapjack Fundraiser Breakfast on Saturday, February 27th from 7:30am to 10am at the River Bend Golf & Country Club in River Bend. Walk-ins are also welcome. All proceeds benefit non-profits in our community, a few of which are Coastal Women's Shelter, Merci Clinic, Habitat for Humanity, Craven County Special Olympics, Religious Community Services and the Twin Rivers YMCA.
